"...Art isn't vital to the human animal, any more than it's necessary for dogs or cats or elephants. But I strongly believe that art is utterly essential for the flowering of the human psyche. In my opinion, a life without art is like a life without love." Marilyn vos Savant

## President's Message:

Happy New Year!

Hope you all had a great Christmas with family and friends.

This month we are exchanging out our paintings at Central Market so keep that in mind.

Next month we have our workshop with Stella and I know you are probably looking forward to that as much as I am.

Also Looking forward to getting back together with each of you and into the painting groove once again. Come and inspire each of us by stirring up your creative juices. See you soon.

Have a great New Year.

Garven

P.S. Hey Dick, have a great trip.

Demonstrations anyone? If anyone would like to do a demonstration please schedule it with Garven. Sharing a new product or technique enriches us all and can really jump start the creative juices.

**The Stella Canfield workshop** is coming up in February. Please see Jan Lyttle to sign up and pay.

Is there any interest in a **Dana Mars workshop**? Please see one of the officers so it can be determined if there enough people. It was a great workshop last year.
