"The purpose of art is not a rarified, intellectual distillate --
it is life, intensified, brilliant life."

President's Message

Hi to all you artists...

Sorry to have missed giving the presentation on Linear Perspective on the 27th of January, was in the hospital that day. We will continue with this series of helpful presentations with Elizabeth Haney on collages in February. We need some more volunteers to present subjects of interest to the PAL meetings. Please step forward or I will bore you with Linear Perspective in another month

...Dick Daugherty

Volunteers still Needed

Volunteer Art Instructors for Seniors still needed at Martha and Mary in Poulsbo on Thursday mornings

For the newsletter--the painters at the Martha Mary Thursday morning group would like any help they can get--we paint from 9:30 to 11:30 and have from 2 to 8 of the residents to help. Some need only the equipment, others need us to sketch and suggest how to paint. One on one works well, but we usually have only two or sometimes three of us "teachers".

If anyone is interested, just drop in on Thursday mornings and ask where the painting class is--and check us out--or call and ask me about it, Thanks, Anita 697-1146 or anitaorlouis@puzon.org for email.

PAL Website Information

Hi! I'm the new webmaster for the PAL website. I've set up a website at www.poulsboartist.com and created a basic format.

The website is partly to give information for members, and partly for information for people who want to learn about us, including potential new members. There's a page for links to member web pages. So if you have a web page, let me know the address and I'll add a link to it from the PAL website.

I welcome suggestions about the website. It's still 'under construction'. You can contact me at billfulton2001@yahoo.com or by phone at 360-620-8086.

Thanks,
Bill Fulton
