## *President's Message*

Hello to all you PAL artists.

Spring is almost upon us, which means our Central Market Show is looming in the near future. April 8 is show-time. This is one of our big events of the year for sales and public interface. We always attract a new member or two through this event, so put on your artists hat and turn out a masterpiece or two.

We need a volunteer for demo for our April 28 workshop. Any art related subject is considered.

Signup for the Central Market show will start on March 10. I will present a workshop on Linear Perspective In Art on March 24. We will have a discussion and samples to work on. If time permits we may also do a little on Value Sketches, or maybe save this for another workshop.

## *Poulsbo Artist League says "Thank You"*

**Gratitude: "The feeling of being thankful to Someone Special for doing Something Wonderful!"**

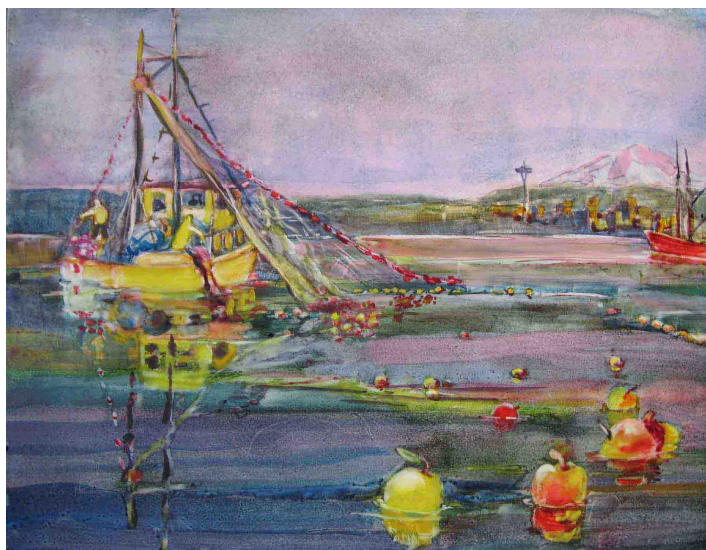

On February 24<sup>th</sup>, Andie Anderson presented a painting by Judy Guttormsen to Mr. James Magnano, Owner of Twelve Trees Self-Storage, in Poulsbo, who has provided a gratis storage unit for our League since September 2007.

Dear Mr. Magnano,

Thank you so much for donating a storage unit to our Art League. Your generosity allows us to give a yearly scholarship award to a deserving Kitsap County High School Art Student. It is the continuum of "Paying Forward". In Appreciation we would like to present this painting by accomplished local artist and Past President of the organization, Judy Guttormsen. The painting depicts Seattle and your love for New York City. "Bobbing for the Big Apple". We hope it will be an enjoyable addition to your home.

Thank You Again for your Continuing Kindness.

## *New Guidelines for Central Market Show April 8 through April 11, 2010*

**At the meeting....March 10.** We need to have enough artists to have two attendees per shift in the booth. The first shift each day opens the booth and retrieves the cash box from the designated person. The last shift each day closes the booth and makes sure the cash box gets to the designated person noted on the sign-up sheet. **ARTISTS MUST WORK A SHIFT IF YOU WISH TO DISPLAY**. Also, please keep the art work to be displayed timely. If you have exhibited a piece in several past events, you may consider showing your newest pieces for viewing. This could enhance your sales opportunities.

The exhibited pieces are the same as usual: Art Must be fully framed, glassed or Plexiglas, if watercolor, and all need to be WIRED TO HANG. Originals only will be hung for viewing.

**Art Sizes Only** (Does not include Mat or Framing):

- One (1) Full Sheet (22"x30")
- Two (2) Half Sheets (15"x22")
- Four (4) Quarter Sheets (11"x15") or Smaller

You may bring one extra that will be hung as space becomes available. Prints need to be shrink-wrapped or plastic enveloped and will be placed in the designated Print Rack. Artists must fill out removable labels as instructed below. Cards, with a limit of 30 per artist, need to be placed in plastic envelopes with removable labels. See below for specific instructions for labeling.

**New Art Identification Guidelines.** Please read carefully: At the meeting on March 17, we will follow a new protocol for entries for the Central Market Show this year:

Each participating artist will be assigned a letter identifier (A, B, C), etc. Paintings, prints and cards will be cataloged under your assigned "Alpha Letter". **Paintings** will be handled with a card identifier and removable sticker which would include your assigned Letter. This is very important, as all sales will be tracked by your Alpha Identifier, Price, "PT" for Painting followed by the name of the painting.

(example) "A \$200.00 PT-Name of Painting"

**Prints and cards** will also have removable stickers which will indicate your Letter Identifier, the Price you have assigned to each item followed by either a "P" for Print or a "C" for Card. You will be responsible for identifying each of your prints or cards submitted in this manner. The sticker should read as follows:

(example) "A \$15.00 P" or "A \$4.00 C" etc.

Following this method will help greatly and assist the treasurer and artist to verify what has been sold and the amount earned by each artist. Cashiers, upon sales, will simply remove the sticker and place same under each artist's identifier on a sheet provided. Receipts to the customers will be handled in the usual manner with minimal writing. Keeping track of sales and distribution to artists will be made much easier. Rich will be so happy!

### **New - the "Art Collectors" Book of Original Art Sales**

We are going to have a record book to track all individuals who purchase an original painting. The purchasers will sign their names, addresses, phone numbers, names of the artist and painting and purchase price in the book for identification for the artist's informational purposes. All information will remain "confidential" by our organization if a patron should ask. This will be nice to have as an artist for follow-up in sending a business card and/or acknowledgment, if they chose, and also to create a history for the artist and our organization. Thank You Kathy Johnson for this suggestion. A very good idea!
