Vice-President's Message

Hi PAL members.

I have been a member now for about four years. Having been asked to write a message for the month of July, I am taking this opportunity to express my appreciation for our great fellowship of artists. I have learned from you all by going around the room each week watching and talking about your art work. Collectively there is a wealth of knowledge, experience, talent and gifting within our group as a whole. Thanks for your openness to share and critique. This has helped and encouraged me and hopefully you and others as well.

To those of you who have been absent for a while, I encourage your attendance. You are part of the wealth of this fellowship of artists. Looks like we will be moving back to the church soon with a regular schedule once again. I believe this will help our attendance. See you there. Have a great summer and travel safely.

With blessings, Garven

The Secretary is the Newsletter Editor. Please contact her with any information you wish added to the newsletter.

City Hall - A reminder that any member wishing to redeem or exchange a picture currently hanging at City Hall should contact Nancy Sefton after July 15th at nrsefton@comcast.net. Starting this year, paintings will not be exchanged as a group every 6 months, but instead exchanged individually by prior arrangement with Nancy, at the Mayor's request.

New Venue - We have a new location to hang artwork at the building housing Edward Jones Financial Advice on Hwy 305 in Poulsbo. Hopefully this will be a permanent venue that we can switch out every few months. We will be collecting artwork for this location on July 11 - and hanging it on July 15th. If you submit art, please consider helping with the hanging. We need at least 2-3 helpers.
