3rd Wed Challenge:
"Show & Tell"
Bring a picture you've
created to share with the
group.
It could be a piece you
really like; or a piece that
you're stuck with and
would appreciate some
feedback, or it's a piece
that you tried something
new and were surprised
at the outcome.
Let's just bring
something to show the
group and celebrate our
creativity with each
other.
